Scholars will be regarded as being under the supervision and charge of the Educational Adviser, to whom they should in all cases address any communication they may have to make, and to whom all reports on other communications bearing reference to scholars should be sent. - (1) Name of candidate,
(2) Place of examination,

A candidate who failed, on having applied, did not appear, at a previous examination, must submit fresh drawings, etc., submitted will on no account be returned.

20. Candidates must send in their applications made out in English on printed forms so that they meet the Commission's Office on or before the 31st January, after which date no application will be received. Only one form of application should be sent by each candidate, although he may bring up several subjects and cover up for different grades.

21. Candidates in the colonies should obtain the required application forms from the Treasury of the island in which they are residents or of the district to which they belong. Candidates in Mysore, Travancore and Cochin states should obtain the same from the Honorable the Secretary's Treasury. Candidates who are residents of Madras should apply for application forms at the Office of the Commissioner for Government Examinations, Old College, Nungambakam, and not to the Collector of Madras.

25. The prescribed fee must be paid in every case into a Government Treasury, or, if at Madras, into the Bank of Madras, and the receipt given by the Treasury Office or the Bank of Madras attached to the application which must in every case reach the Commissioner's Office on or before the 31st January. On no account will the fee be received in the Commissioner's Office, whether sent in in a letter or by the candidate's order. The application will be rejected unless it reaches the Commissioner's Office by the date prescribed.

26. At Madras, in the case of all pupils, the fees should be collected by the Headmaster and sent in a lump sum in the form of a draft together with two sets of the pupils, one of which will be retained by the Bank and the other signed and returned to the Headmaster. This latter set should be forwarded to this office along with the applications of the candidates. The necessary form for this purpose will be supplied by this office in duplicate on application.

27. Each application should be sent direct to the undersigned, post paid, as prescribed and addressed as follows, the receipt for the fee paid being carefully retained in it.

28. Candidates are warned that the application itself should not be enclosed with any drawings, plans, surveys, field books, estimates, or other "unfilled works" that may be sent, but should be submitted in a separate cover.

II. *Retail Licences for the sale of foreign liquor not to be issued on the premises in any town.*—These will be of two kinds—one for the sale of all kinds of foreign liquor, except "native" beer and the other for the sale of beer brewed in India.

(a) The former will be issued at the discretion of the Board and Collector on payment of an annual fee of Rs. 200 in the town of Madras and in Ootacamund, Coonoor and Wellington, Rs. 100 in towns having a population of 10,000 and above and in Kodaikanal, Yercaud, Kottam and Cochin, and Rs. 50 in the rest of the Presidency. Under these licences the sale of liquor in a quantity less than one reported quart and greater than two imperial gallons in one transaction will be prohibited. In Madras the right of selling Coleman, Cacha or Malabar brandy for removal from the premises in bottles in quantities exceeding one reported quart will be restricted to tavern-keepers who have taken out a special licence for the purpose which will be issued on payment of an annual fee of Rs. 100, while the ordinary retail liquor-licences will be allowed to sell any kind of foreign liquor except Coleman, Cacha or Malabar brandy and "native" beer.

(b) Retail licences for the sale of beer brewed in India will be issued in approved bottling for home supply on payment of an annual fee of Rs. 50.

III. *Wholesale Licences for the supply of liquors in hotels and boarding houses.*—These will be of two classes at annual fees of Rs. 100 or Rs. 75 in Madras, of Rs. 100 or Rs. 50 in the Nilgiris, and of Rs. 50 or Rs. 25 in the rest of the Presidency, as may in each case be determined by the Collector. No liquor may be sold under these licences otherwise than to residents in hotels and boarding houses for their own use and that of their guests, or to casual visitors requiring liquor with the food or meals supplied to them.

In Madras a holder of a hotel licence desirous of setting up and maintaining in his hotel a "bar" or "beer" room, an apartment of a monthly fee of Rs. 50 for a first-class bar or Rs. 25 for a second-class bar, he granted a separate licence to be called a bar licence. This will extend to the sale of foreign liquors, except Coleman, Cacha or Malabar brandy, under the same conditions and to the same extent as the hotel licence.

In Madras, special bar licences will also be issued to the proprietors of hotels at the Central and Ponnal Railway stations and to the South Indian Railways Association on payment of a fee of Rs. 50, Rs. 10 and Rs. 5-5-4 per annum, respectively. These will extend to the sale of all liquors.

IV. *Refreshment-room licences will be of two classes.*—

(a) *For refreshment-room maintained by, or under the supervision and control of, railway companies and proprietors or managers of lines of all railways for the supply on the premises of passengers of food and refreshments in all towns.*—The annual fee payable for each licence will be Rs. 50. Under these licences liquor may be sold to passengers and persons served with refreshments in the trains for consumption on the premises in any amount, provided that no more than one reported quart of spirits or two reported quarts of any other kind of liquor sold on the refreshment-room may be sold at one time to any one passenger for removal from the premises.

(b) *For refreshment-rooms in which the sale of liquor is exclusively confined with the supply of meals or of refreshments prepared and served in the dining-rooms.*—The annual fee will be Rs. 100 in Madras and Rs. 75 in the rest of the Presidency. It will in all towns be optional with the Collector to withdraw licences of this description if it should appear that the sale of liquor to persons who have not permission of meals in the refreshment-rooms is permitted to such an extent or so habitually that the refreshment-rooms may fairly be closed as a tavern. Sale of liquor for removal from the premises will not be allowed under these licences. The premises to be used for the sale of liquor under these licences must be of at least of the monthly taxable value of Rs. 50 in Madras and in Ootacamund and Coonoor Municipalities and of Rs. 25 in the rest of the Presidency.

V. *General Licence, such as licences for the sale at refreshment-rooms in connection with race meetings and public entertainments.* These will be granted by Collector at their discretion for periods not exceeding ten days at one time and at such fees not exceeding Rs. 100 on each occasion as they may determine. No removal of liquor from the premises will be allowed under these licences.

VI. *Special Licence will also be granted by Collector in consultation with the officers of the Fish and Game and Customs Department when the circumstances are such as not to allow of the issue of licences of any of the above descriptions on such terms and conditions and for such periods as they may in such cases determine.*

VII.—*Distillery's Licence.*—Annual fee, Rs. 5. The following are important provisions of this licence:—

(a) *Authority to give sample bottles in regard of all assignments, whether trade assignments or the property of private persons, in order that intending purchasers may have the opportunity of testing high class wines and spirits at their own homes before the auction sale.*

(b) *Authority to sell wines, spirits and beer in low quantities than whole casks of such description as the case of sales by auction of the property of private parties or estates or of trade consignments which are alleged as otherwise inconvertible.*

(c) *Authority to sell by auction at places other than that specified in the licence, viz., at any private residence at which the licensee may hold an auction.*

Notes.—In places where there are beer shops, holders of hotel licences for the sale of all kinds of foreign liquor except "native" beer, will be permitted to sell beer brewed in India on English principles only in bottles as before at the brewery at which it was brewed.

VIII. *Licence for the sale of pure rectified spirits*.—There will be issued to Chemist and Druggist firms and other firms or persons specially approved by Collectors, on payment of an annual fee of Rs. 10. Under these licences the possession of pure rectified spirits in more of the imperial gallons (or such larger quantity as the Collector may, in consultation with the officers of the Port, Aden and Customs Departments, specially authorize) is prohibited. Pure rectified spirits must not be sold under licence for other than *medicinal*, *scientific* and *scientific purposes*, and the maximum limit of sale at one time to the same person is restricted to one reported quart in the case of sale to a private individual, two reported quarts in the case of sale to a Chemist, medical practitioner or scientific body and three imperial gallons in any dispensary, local vend or Municipal hospital.

IX. *Licence for the sale of wine or spirits, of medicinal wine and similar preparations containing 20 per cent. and upwards but not more than 40 percent of pure spirit* will be issued by Collectors on payment of an annual fee of Rs. 10.

X. *Licence for the importation of foreign liquors*.—These will be issued by the Deputy Commissioners of Aden to facilitate the payment of an annual fee of Rs. 150.

1. Any two or more of the above kinds of licences may be granted to the same person for the sale of liquor in the same premises.

2. No premises shall be used for the sale of liquor unless and until approved by the Collector.

Arrari and guage wholesale depot business will be invited for all districts. Particulars regarding them will be found in clause XVI below. A separate notification will be issued regarding fixed fee foreign liquor business.

III. A deposit must be made by each bidder previous to bidding and will be received by the selling officer on the day of sale. A deposit of Rs. 50 will ordinarily be required from any person wishing to bid for any important shop or any large number of shops. This will be reduced to Rs. 20 in the case of bidders for not more than two or three shops of no aggregate monthly value of Rs. 50 or less and to Rs. 5 in the case of bidders for single small shops. In the Madurai district, the officer conducting the sale may, where he finds it necessary, require a deposit of Rs. 15 only from bidders for small shops. In the South Canara district, the selling officers may, at their discretion, reduce the deposit to Rs. 2 for shops whose average monthly value does not exceed Rs. 5.

IV. The shops will be put up to auction in the order in which they are notified, unless the selling officer sees reason to change that order. Upon prices will be fixed at the discretion of the Collector. The exact price placed by Government on the shops will not be published, but the average of the previous five years' results will be notified by the Collector, wherever possible, for the information of bidders.

V. No person will be allowed to bid for another unless he holds a power-of-attorney from him.

VI. The officer conducting the sale may, at his discretion, refuse to accept the bid of any person on the ground that he has been convicted by a Criminal Court or has previously been guilty of such a breach of the conditions of a license or of a contract under the Arrari Act as to render him undesirable as a holder of a license or on the ground that he is insolvent or is subject to arrangements in the judgment of Government inimical to or for any other valid reason. He may also refuse any bid which

may render to be partly speculative, when recording his reasons for doing so. Village officers* will not be allowed to bid for, or to have any direct interest in, lots for the sale of tobacco.

VII. The shop will be knocked down to the highest bidder, but the sale will be subject to formal satisfaction of the Collector, who shall be at liberty to cancel, or to put any bid at his discretion. Such formal satisfaction will be tantamount to an acceptance of the bid, unless revoked by the Board of Revenue for special reasons, and will be necessary whether the sale be held by the Collector himself or by any officer appointed by him.

VIII. In case of dispute the selling officer's decision shall be final. If for any reason the highest bid is rejected, the next highest shall be taken as the shop re-sold at his discretion.

IX. At the close of each day's sale, the deposits made by the unsuccessful bidders will be returned to them. As the auction proceeds, each person whose bid is accepted shall at once, if so required by the selling officer, or otherwise at the close of the day's sale, make a further deposit of half a month's rent (in addition to the deposit made under clause III) for each shop unless the related deposit equals or exceeds two months' rent. Should he fail to do so, the deposit made by him under clause III will be forfeited, and the shop will be put up again immediately by the selling officer on the above conditions or otherwise disposed of by the Collector and the defaulter will be debared from bidding again for the same or for any other shop.

X. Persons to whom a shop has been knocked down and who have made deposits as provided in clauses III and IX shall also deposit a sum at least equal to the house deposit and will make by two months' rent (to be paid within ten days from the date of commencement of the Collector's assessment of the bid) and shall without unnecessary delay execute the necessary engagements and take out licenses in the usual manner, and so forth. In the case of the purchaser's death after signing the agreement, it will be binding on his heirs and assigns. Should the related deposit exceed two months' rent, the same will be refunded unless the purchaser is required to deposit more than one under clause XI (iv).

XI. If on inquiry subsequent to sale the purchaser shall be found to be of doubtful solvency, he may be required either to deposit in a bank a sum in addition to the one prescribed in clause X above or to get a surety or sureties to execute a security bond for the due payment of all moneys that may become due by him under the terms of the contract. The bond shall be accepted (article 21 schedule I, Act II of 1879) and registered at the expense of the purchaser if the second amount equals Rs. 1,000.

XII. On the failure of any person to make deposit under clause X or to comply with the regulation under clause XI above or to execute engagements and take out licenses as aforesaid, the deposits already made may be forfeited and the shop re-sold under the orders of the Divisional Officer on the date notified by the Collector or otherwise disposed of by the latter officer.

XIII. Resales effected under clause XII will be at the risk of the defaulting bidder, who will forfeit all price, and, in the event of a loss, will be required to make good. The defaulter bears the total amount payable for the whole period under the terms of the original sale and the total amount payable by the sureties, the object of this clause is to place upon the defaulter the responsibility of the loss arising from the resale, and the remainder of any will be recoverable from the defaulter in the same manner as if it were a sum of loan money. Should, however, the forfeited deposits be greater than the loss by resale, the whole of such deposits will be applied to Government. The defaulting bidder will be similarly liable if the privilege is disposed of otherwise than by resale and such deposit made is less to Government as compared with original sale.

XIV. The purchaser of the privilege is liable to the penalties provided for breaches of the conditions set forth below, though a formal license may not have been issued to him.

XV. The deposit referred to in clause X or clause XI, as the case may be, will be taken as security for the due performance of the conditions of the license. If the Talukdar, or the licensee as aforesaid, it may be extended towards the last instalments of the loan payable by the latter.
